

Paint a Season of Memories
2009 Regional Decorative Painting Convention
September 24 - 27, 2009
Portland, Oregon
Sponsored by the Raindrop Chapter of SDP

Dear Teacher,

Our 2009 convention is rapidly approaching and we need your talents! Raindrop Chapter would like to extend an invitation to submit projects to be considered for the convention. I have attached a copy of the Teacher's Contract, Project Information form and Project Data Sheet. Please read the Teacher's Contract carefully and note the postmark deadline for submission is November 30, 2008. The submissions should include:

1. A signed Teacher's Contract
2. The project information sheet attached to the back of each project picture submitted.
3. Two (2) 4x6 color glossy photographs of each project submitted. No photocopies will be accepted.

Your color photograph will appear in the class catalog. It is very important that it is as clear as possible and not too dark. We suggest that your photographs be photographed "full frame" and as close up as possible eliminating any unnecessary background.

Please do not sign the piece in the photograph or the project information sheet attached to the back. We will follow the guidelines established by the SDP in the selection and operation of classes. We are limited by classroom space for the number of six hour classes that can be offered. We would therefore encourage submissions of two (2) or four (4) hour classes.

Raindrop Chapter realizes that it is a challenge to submit new projects for every convention, however, students are typically looking for fresh ideas, new techniques, surfaces and projects. Please keep this in mind when you are determining your submissions.

I will be your contact person for submissions and selections. I am looking forward to your reply and receiving your wonderful submissions. If I can answer any questions, furnish any additional information or be of assistance in any way, please feel free to call me.

Sincerely,

B.J. Schmader
