

## Announcing a Raindrop Contest

Inspired by Food network and Project Runway challenges to update recipes and fashion styles, chapter members are called on to “refresh” a pattern to reflect current trends in decorative painting.

- At the October meeting the chapter will provide the pattern photo, original color list, and a line drawing
- The patterns will be Winter themed from artists who are no longer with us
- Random drawings will be done for who gets what pattern
- Prize for first, second and third place winners
- Chapter members will vote on completed pieces at the December Christmas brunch
